Dos Iberos Luxury Bed & Breakfast is a dream holiday destination with style and allure. Here you can enjoy everything Andalusia has to offer all year round: sun, culture, nature, sea, good food, golf, hiking...

Finca Dos Iberos is located near the charming provincial town of Alhaurín el Grande in the Guadalhorce valley. The Moors gave it the idyllic name Alhaurín: Garden of Allah, due to the attractive climate and fertile soil.

Today Alhaurín el Grande is a popular base to explore the cultural treasures of Andalusia. Granada, Córdoba, Ronda and the coast from Nerja to Gibraltar are easily accessible.

Málaga, Marbella and the airport are just around the corner. Hikers and nature lovers shouldn't miss the natural parks El Chorro and El Torcal and with more than 60 golf courses Andalusia is the number one golf destination in Europe.
